

Nursing Education & Training Responding to the nursing crisis

Dr Nelouise Geyer

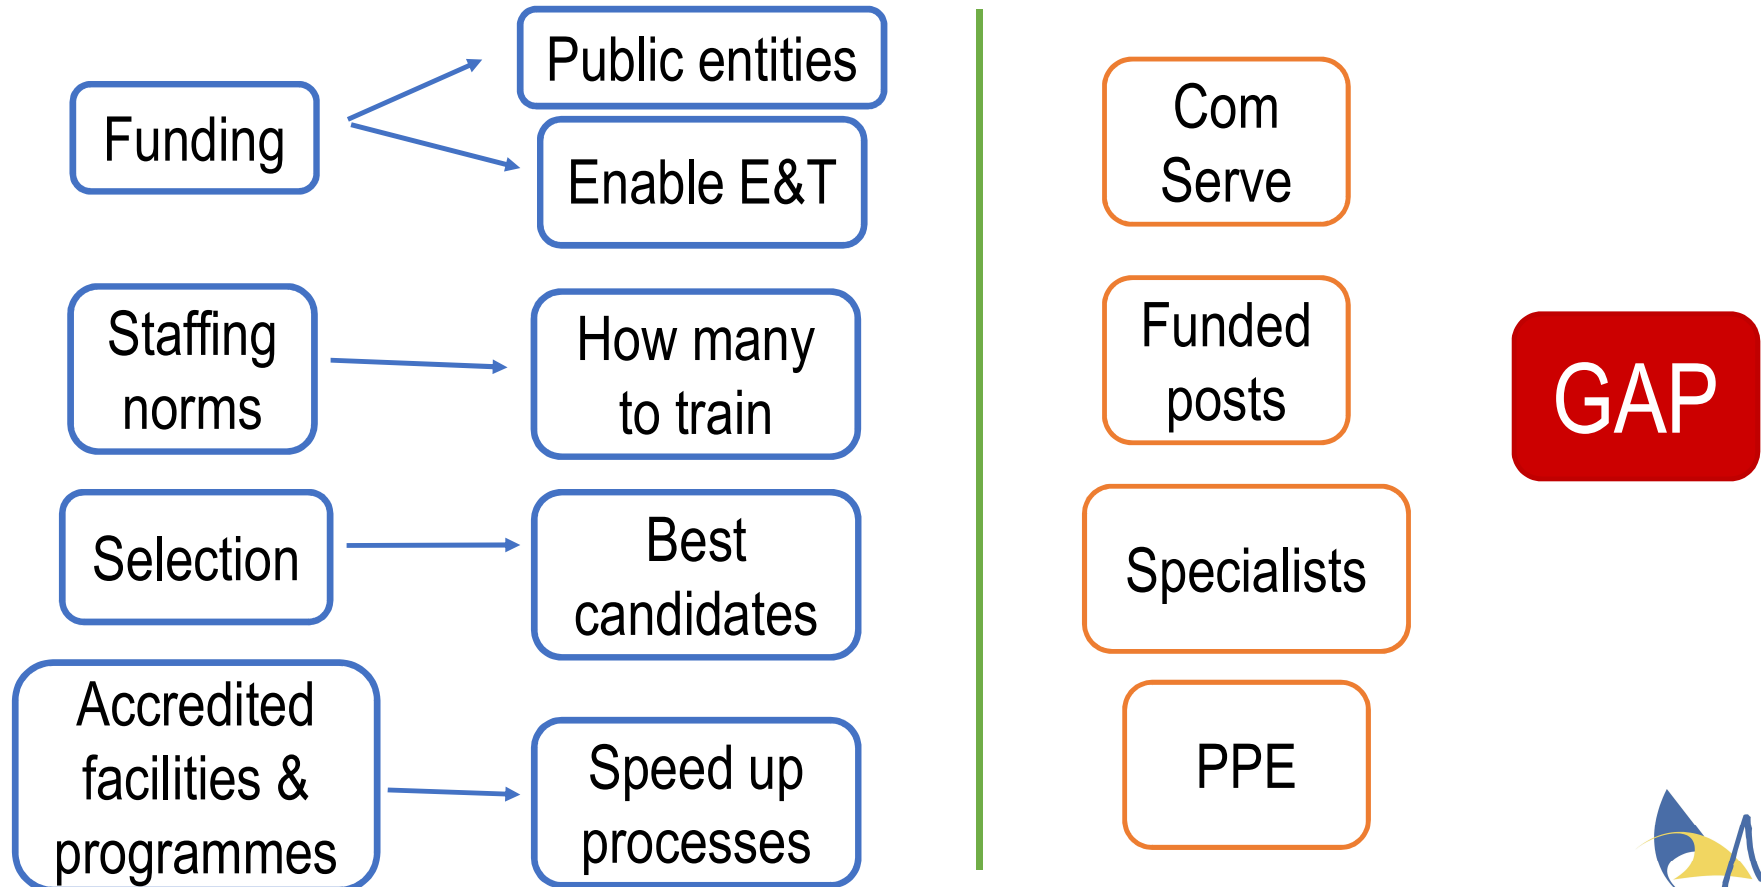

CEO Nursing Education Association

 **Nurse training**

but....it is complex...

To increase training,

Strategies to respond to the crisis

Undergraduate:

- Double up on the student intakes
 - Increase funding
 - Accredited institutions
- Innovative teaching and learning methods to manage large classes
- Student support to improve throughput
- Selection

Post graduate:

- Articulation
- SAQA rating of qualifications
- How are we going to cross the divide?
- Study leave and replacement staff

Advocate!
